

POTENTSEA® MARINE AMINOS™ are derived from the meat of the sacred left-handed whelk used in Hindu and Buddhist ceremonies. The life-promoting and wellness qualities of left-handed whelk have long been established in native seaside cultures around the globe.* Our whelk are sustainably harvested from clean waters as food under the CITES international convention.

SUGGESTED DOSE FOR GENERAL WELLNESS*:

Take 2-3 capsules once daily with food or just prior to activity. POTENTSEA® MARINE AMINOS™ are most effective if taken daily in combination with POTENTSEA® SEA VEGETABLES.

POTENTSEA® MARINE AMINOS™ helps the body with Anti Aging*, Weight Control* and Improved Physique* via better energy for life and exercise. We urge you to experiment and find the dose that works best for you.
